Break me down to the end and push me past the border
And who is there to blame? In the end it's all the same
We will return—it's a game
We know the rules and break them
Time and time again you pretend to be my friend
but you're just pretending

CHORUS

**But I keep holding on to these dreams I can't let go of
And I know in time I'll get what's mine
(whoa) if my heart is open Yeah, Yeah, Yeah
if my heart is open Yeah, Yeah, Yeah**

Shining like the stars these scars spread across the night sky
for everyone to see but it's only you and me
And we have not changed we're the same
still fighting windmills
And the wind is blowing hard and it's tearing us apart
and it leaves us hanging - **CHORUS**

BRIDGE

Hope my heart is open and my mind is free at last
And I come to you with grace, face to face
And we've seen enough to finally understand

That a change will come from somewhere deep within us
And the lion will roar and it won't matter anymore
as we go walking through the door when our hearts are open

CHORUS
